

SIGNATURE SERIES

Designed for both performance and aesthetics, this series features a robust 5" barrel and is available in four exclusive Cerakote finishes, ensuring both durability and a striking appearance.

THUNDERBOLT SERIES

The Global Defense Thunderbolt is a steel frame Government Model with a five-inch barrel, full-length slide, and full firing grip, weighing 42 ounces.

SA-9

The design includes AR-like controls, an A2 flash hider, takedown pins, and a 30-round steel MP5-type magazine with an ambidextrous release.
